

KENTON RIDGE HIGH SCHOOL

NATIONAL HONOR SOCIETY

Dear Student,

Your 3.3 or higher G.P.A. makes you academically **eligible to apply** for admission into the Kenton Ridge Chapter of the National Honor Society. In addition to this ***scholarship*** requirement, students must fill out an application to show their strengths in the areas of ***leadership, service, and character.***

The NHS selection committee determines the extent of each student's leadership and service contributions from information sheets completed by eligible students. **It is the responsibility of the student to pick up or download these sheets from the Kenton Ridge website and submit them by the deadline. No late forms will be accepted.**

The student should also try to be as complete, thorough, and neat as he or she can be so that the committee has a well-rounded picture of the student's endeavors and qualifications.

After the information is collected, a faculty selection **committee will determine students' eligibility based on a rubric.** Students who are selected will be notified soon after the committee meets.

The deadline to submit applications this year is **TBD 2022**. Please follow all directions on the application.

The information sheet and other relevant information will be **posted on the Kenton Ridge website** under the National Honor Society link. If you have further questions, please contact **Mr. Caleb Nettleton or Mrs. Gretchen Williams** via school email or at 390 - 1274.
